LETTER OF RECOGNISED SUPPLY

This letter recognises the contribution made by **PHM Technology** in support of the Australian Defence Organisation.

In June 2012 PHM Technology's Maintenance Aware Design environment (MADe) software was successfully evaluated by BAE Systems Australia, for its' suitability as an off the shelf tool to undertake reliability, availability and maintainability (RAM) analysis in support of sustainment decisions associated with the Royal Australian Navy ANZAC Frigate Fleet.

In recognition of the above, this letter is presented to **PHM Technology** in accordance with the Defence Materiel Organisation Letter of Recognised Supply scheme.

Yours sincerely,

Rod Kenafacke
